INTRODUCTION

Association for action against violence and trafficking in human beings Open Gate/La Strada is delivering training for professionals who could be or are in contact with refugees, migrants and asylum seekers in Macedonia. The goal of trainings is to increase the level of professionalism, capacity and expertise of the service providers and state servants for efficient identification, referral and assistance of people at high risk of human trafficking. Training will be delivered in Skopje.

SCOPE OF WORK

Lecturer on human trafficking will actively work on raising capacity of professionals from institutions and non-governmental organizations that work at the field in order to provide prompt and comprehensive assistance to most vulnerable refugees – women, girls and children who survived human trafficking or are in risk of it. The main objective of the lecture is not just to raise knowledge and skills of participants about mapped issues (human trafficking), but also to generate participants to recognize cases at the field and activate protection system promptly. Lecturer on human trafficking topics should conduct one two day training in Skopje for 25 professionals that work at the field with refugees and migrants. In order to achieve the aim Lecturer of human trafficking should conduct specific activities:

1. **Develop presentation of lecture** on the subject of human trafficking– with aims and outcomes of the lecture with information regarding this topic, specifically for international standards, national regulatory and normative framework to protect victims of human trafficking and gender based violence.

2. **Conduct lecture on human trafficking topic** that will be a part of training program, human trafficking, protection of refugees and intersectoral cooperation.
3. **Report for conducted lecture** – the report will be the part of the final report of the conducted training.

OBLIGATIONS AND RESPONSIBILITIES OF THE Lecturer on human trafficking topics ARE TO:

- Develop presentation of lecture on the subject of human trafficking and gender based violence– with aims and outcomes of the lecture and with information regarding this topic, specifically for international standards, national regulatory and normative framework to protect victims of human trafficking and gender based violence victims.
- Conduct lecture that will be a part of training program human trafficking, protection of refugees and intersectoral cooperation – the lecture will be conducted in Skopje
- Report for conducted training
- Establish contacts with different actors (social protection) in order to gather valuable information about refugee woman and girls;
- Attend meetings with project manager and staff of Open Gate;

These activities should finish by **5th of June 2017**.
